Chairman & Managing Director,  
SQL Star International Limited,  
Hyderabad.

Dear Shri Ganti,

I am writing to acknowledge your generous support to our DISHA initiative.

Through your portal, [www.thelearningport.com](http://www.thelearningport.com) we were able to have a home page for DISHA and accomplish the following.

- Customization of login for DISHA.
- Online registration of students from 12 colleges for DISHA seminars.
- Online self assessment tests for students in General Aptitude, C, C++, DBMS Concepts and Java.

The following benefits have accrued to our students and we place on record our appreciation of the support of SQL star for the same.

- Introduction to Internet 2.0 based working and learning.
- Access to e-learning tools and services.

We have plans of launching the programme in a fitting manner and look forward to your continued support.

Thanking you,

Yours sincerely,
